

Schumann Pediatric Psychological Services is Hiring!!

The Center for Behavior and Learning is an established private practice in Burnsville and Minnetonka, MN. Our specialty is providing pediatric, multi-disciplinary services to children with autism, ADHD, learning disorders, developmental delays, anxiety, depression, trauma, and other and social/behavioral needs. We are searching for an additional full-time or part-time psychologist to join our amazing team of psychology, occupational therapy, and speech/language therapy disciplines. The role includes pediatric psychological evaluation (and therapy if desired). This is an independent contractor position with highly competitive hourly pay and great scheduling flexibility.

Job Duties:

- Provide 1-3 psychological evaluations per week, including the intake, psychological testing, and feedback sessions. We have a several month long waitlist, so there is an option to complete more evaluations each week if desired.
- Psychological evaluations referrals include ADHD, autism, anxiety, learning disorders, developmental delays, disruptive behaviors, social/emotional concerns and more.
- If desired, may carry a therapy caseload in person or via telehealth.
- Therapy referrals entail individual therapy, family therapy, and/or parent guidance related to anxiety, depression, trauma, ADHD, autism, disruptive behaviors, developmental delays, and adjustment issues.
- Provide evaluations in person at Burnsville location.
- Option to see therapy clients via telehealth.

Requirements:

- Hold professional license with ability to practice (including complete psychological testing) independently
- Experience with pediatric autism, ADHD, anxiety, depression/mood dysregulation, developmental delays, and disruptive behaviors
- Excellent written and verbal communication skills
- Complete documentation in timely fashion

- Ability to work on contract, 1099 basis

Benefits:

- Competitive hourly pay
- Flexible scheduling
- Warm, collegial environmental
- Control over caseload
- Furnished office with large windows
- Unparalleled contractor support including: new client intake support/management/referrals, timely billing services, credentialing services, case collaboration, customer service support, online electronic records system (Simple Practice), invoicing services, ongoing marketing campaigns, legal support, and staff consultation
